
Sausage Stuffed Pork Tenderloin

Pre-heat oven to 325-350

Place stuffed tenderloin on a cooking rack in a pyrex dish or roasting pan. Bake uncovered for 1 1/4–1 1/2 hours or until internal temperature reaches 155 when meat thermometer is probed into the sausage stuffing.

Please note that the pork will retain a pink hue even when fully cooked because of the bacon & sausage.

Happy Eating!!
